

8th Annual Mountain Metro AMBUCS Trykes N Tread Car Show

Southwest Oklahoma's Largest Custom Car, Truck & Bike Show!

Date: April 13-14, 2019

Contact: Linda Mask

Cell: (580) 695-8882

E-Mail: Mountainmetroambuc@att.net

Location: Comanche County Fairgrounds, 920 S. Sheridan Rd., Lawton, OK 73501

Your support will allow Mountain Metro AMBUCS to fund many projects such as providing children, adults and veterans with AmTrykes (therapeutic bikes); scholarships for therapists, Challenge Trail (a Special Olympic type event) and much, much more.

We welcome your company to become a vendor or sponsor at the Trykes N Tread Car Show! This is a great opportunity to open your business up to a whole new customer base. It also shows your customers your support of veterans, children, students and the many others that Mountain Metro touches with their philanthropic work.

As part of our overall promotional plan, press releases and news stories will be distributed to all Duncan, Lawton, Altus, Chickasha, Cache, Wichita Falls and other area media beginning about 30 days prior to the show dates. They will also be posted to various web sites including Mountain Metro's web and Facebook pages which post advertisements as soon as they are received. More than 15 thousand promotional fliers will be printed and distributed all over Southwest Oklahoma and surrounding states including regional car shows.

Those companies that become event sponsors by February 1 will have their logo printed on all marketing material, including event T-shirts. So the earlier you decide to join the better. We have many sponsorship levels to suit anyone's budget.

Please keep in mind we cannot add your logo to any of our promotional materials without payment.

Trykes N Tread Car & Bike Show will attract hundreds of vehicles from all over the country, as well as thousands of spectators. The show is a family friendly event that will include a Kids Corner with creative activities and fun games. Vendors come from all around southwest Oklahoma! Each year the show has seen an increase in exhibitors, vendors and attendees.

We project the same for this year's event. We will be giving away several AmTrykes at the Car & Bike Show to local adults, children and veterans who have been recommended by their physical therapists. If you have never had the chance to experience a child receiving his or her Amtryke, you are in for a treat. There is nothing like seeing the joy of a child's face when they ride their Amtryke the first time!

An Amtryke is a therapeutic bike specially designed for people with disabilities. It can be powered by either the use of hands and feet, or just the feet or the hands alone. An Amtryke provides physical therapy but most importantly freedom and fun.
