ALL PROCEEDS WILL BE PRESENTED TO OWEN AND HIS FAMILY DURING THE AWARDS CEREMONY!

Owen Looper, 20, of Fairland, OK was attacked in November 2017, which resulted in him being a quadriplegic, needing life long care. This 2nd annual event will provide funds to purchase a truck for Owen so he can have independence and obtain employment. Our long term goal is to form a foundation called Rollin' with Owen, that's mission is to provide transportation for families and individuals with disabilities.
