Each year, Neighbors Along the Line coordinates WestFest, a community initiative aimed at boosting awareness of and support for an area of Tulsa between downtown and Sand Springs, referred to as “the Line”. This is a great opportunity for your organization to provide information to the community and for people and agencies to come together in a positive, safe, and fun manner. It’s a time for individuals in the area to get out and celebrate their community with food, music, games and information resources. This community outreach event reaches up to 800 people in our service area.

**September 21, 2019 Noon to 3PM**  
**Penny Park – 531 S. 49<sup>th</sup> West Ave.**

**Parade starts @ Noon from Mark Twain Elementary– bring a candy bag!**

We plan to hand out information about Neighbors with the goal of raising awareness and use of programs and services.

We would like your organization to participate in this opportunity as well. You are an important part of the fabric of our community and we encourage you to participate in WestFest 2019. We have attached an application for booth space (which is free). Please feel free to contact us should you have any questions.

Thanks for your attention, and we look forward to seeing you at WestFest 2019!
