

Route 66 Cruisers Car & Motorcycle Show 2017 Silent Auction Advertising Opportunity

The Route 66 Cruisers Car Club will have their Annual Car Show September 30th at Claremore Lake.

As part of our 2017 car show we will feature a Silent Auction with donations to help support the Akdar Shrine's Transportation Fund. The transportation fund provides children with transportation to and from Shriners Hospitals, giving them the care they need. "While there are many elements to Shriner's Hospitals for Children, there is only one purpose: Improving the lives of children" and almost every day an Akdar Van leaves the Tulsa Center taking a child in need & a parent to one of 22 Shriner's Hospitals.

The Silent Auction will be setup in a prominent area of our car show and each donation will feature the business name and logo or the family name of the donor. We also welcome your business cards next to your donation.

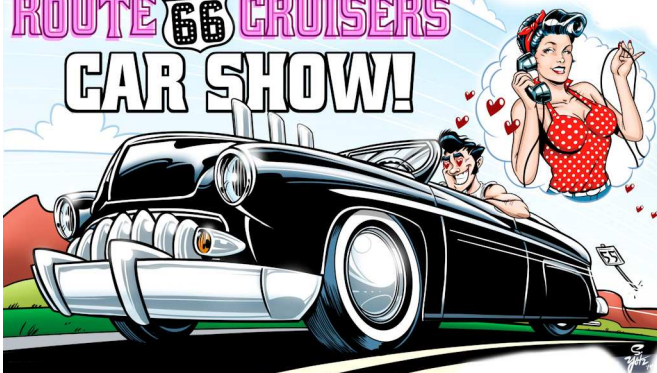

Items are unlimited and anything is appreciated- creative artwork, dining experiences, music & sports memorabilia, services, gift certificates to your business; these are just a few of the things we would love to feature.

We expect to have over 4,000 people in attendance and our annual Route 66 Cruisers Car Show and the proceeds also help benefit the Akdar Shrine Transportation Fund.

Thank you for your consideration and for your support.
